## **Aims and objectives**

At **BASK** we aim to:

- ensure the care and wellbeing of all children attending our service
- provide a happy, safe and stimulating environment, with a range of creative activities for children
- work in partnership with children, parents and families to deliver a high quality service

Our objectives are to:

- strive to offer flexible care options that meet the differing needs of families
- according to demand, provide exciting holiday club provision as an extension to our term-time service
- nurture a caring and committed workforce who listen to, and make a difference for children
- comply with all legislative requirements, including national policies such as Getting It Right For Every Child and healthy eating regulations.
- value the contributions of all in continuously evaluating and improving our service
